

Michael Obi's Prophetic Prayer
According to
Isaiah 45:1,2,3

Pastor Obi shared that the Lord has been showing him that we are in the season of entering our inheritance. “ The children of Israel were in the wilderness for 40 years. During their time in the wilderness the Lord provided for their every need. He fed them, their clothes never grew old and their shoes never wore out. After 40 years were over, God brought them into a season of possessing what He had promised them. But the one thing that kept them from possessing their promise is the same thing that keeps a lot of people from possessing their inheritances today. When the children of Israel went to spy out the promise land, they saw GIANTS in the land.

God began to deal with me concerning this season of time that we need to begin to possess our inheritances through prayer. There are things that God has aligned for our destinies, for our ministries, for His call on our lives to this nation; but, we must realize that there are GIANTS or hindrances sitting upon what God has given to us to possess. So we need to begin to pray that God would dismantle whatever is sitting on our inheritances—whatever is holding back our destinies from manifesting—whatever is presenting itself as a “Wall of Jericho” in our lives. We need to pray against whatever is standing in the way of our entering into the fullness of what God has for us. We need to ask God to avenge us and give us open doors so we can begin to receive our inheritances. We need to pray Isaiah 45:1-3 over our personal lives, over the cities and regions God has called us to, as well as over the nation. God has already given us this nation.

Anything standing in the way of us entering the blessings, the anointing, and the breakthroughs or possessing the harvest, we need to pray that God would avenge us and dismantle those things. Pray that the anointing God has placed upon us for this hour will begin to open the doors that have been shut.

God was also showing me that there are men and women, like Cyrus, that God ordained before they were born, to finance ministries and to order the courses and purposes of God. God has empowered some financially and others He's empowered in different ways. It is time to begin to pray that God would bring these Cyrus' into our lives so we can do what God has called us to do without struggle.

Also there are souls around whose minds and lives the enemy has placed bars of brass. They are in bondages and don't have any hope of being set free. So, our prayer this year should be that God will “give us the heathen for our inheritance and the uttermost parts of the earth for our possession”. This inheritance of souls is surrounded by walls of brass and bars of iron. During this time of possession, God is saying we should pray He would break these things asunder so we can begin to possess what He's given.”

Pastor Michael shared further that he is already seeing great and very obvious results since he's started praying this prayer. He encouraged the group to begin to apply this prayer to the territories and regions where they are.
